Range Road at Yankee Road Roundabout Construction starting July 29, 2024

Construction of a roundabout at Range Road and Yankee Road is scheduled to begin on **July 29, 2024**.

During construction, **only south bound traffic will be maintained on Range Road from 1/4 mile north of Yankee Road to Brown Street**. This pattern will be maintained for the duration of the project. The posted detour for north bound traffic will be Brown Street to M-29 to Davis Road, and trucks will be detoured Fred Moore Hwy to Clinton Avenue to M-29 to Davis Road. Yankee Road west of Range Road will be closed for approximately 3 weeks during the construction of the west half of the roundabout. The detour route will be Davis Road to Bartlett Road to Bowman Road.

Traffic will be maintained within the construction zone, including to homes and businesses. Local residents and emergency vehicles will have access to local properties throughout the entire project. Local residents are encouraged to plan for delays due to construction. We request your cooperation and patience.

Construction is scheduled to be completed early September 2024. All scheduling and project dates are subject to change depending on weather and the contractor's schedule.

This project is financed by the St. Clair County Road Commission, the State of Michigan, and the Federal Highway Administration at a total estimated cost for construction of \$1,043,000. The prime contractor is M.L. Chartier Excavating, Inc.
