FROM THE SUPERVISOR: WELCOME BACK BRIAN MAHAFFY

Thank you for voting me in as your supervisor again. I am excited to be back and to be working with our wonderful staff. I look forward to being of service to the Township.

As a winter reminder please do not shovel snow from your property on to the roadway. Any excess snow must be distributed on to your own property – not a nearby road or shoulder. Also please check on your elderly neighbors and relatives to be sure they are safe.

Stay warm & enjoy the season!!

Updating Your Water Meter

The St Clair Township DPW is actively updating water meters to more efficient radio read meters. This is done with no added cost to you the resident. Although, an appointment is needed, this is to allow DPW access to the meter in your basement or crawlspace. Your water will be shut off during this upgrade and will only take 20 minutes. You will be receiving a letter for your stated time period for replacement. A benefit to the new water meters are as follows:

- *The water meters can be read remotely, eliminating the need for DPW to have access to your property.*

If an appointment is not made or appointment scheduled for a meter change within 30 days of a letter being received, a fee of \$200.00 will be added to the water bill per quarter. When it is recorded that your meter has been changed the fee will no longer be charged. To schedule an appointment please call **810.329.9042** or email **DPW@stclairtpw.org**.

Appointments are available Monday – Friday, 8am to 3pm. *Arrangements can be made for alternate times.*
